M SERIES

Introducing our all-new M Series 7' Wide Trailer. The M Series is a multipurpose trailer that has enough room to have two sleds side by side inside. It's sleek arrow dynamic design makes it lower to the ground, giving you better visibility going down the road than your standard trailer. This 7' Wide trailer is easy to tow and made of aluminum making it lightweight and accessible for everyone.

Whether you're hauling around your sleds or towing stuff around town, this multi-purpose trailer is for you!
